SHINING ——

WAKE UP——

Huh?

Where am I?

!

I'm now...
at the bottom
of the ocean?

But how am I still breathing?

Also, why is
there a white palace
underwater?

IT LOOKS LIKE THE SACRED SEED IS HIDDEN INSIDE THAT PLACE.

DUARTE RODRIGUES?
YOU... HOW CAN YOU BE HERE?

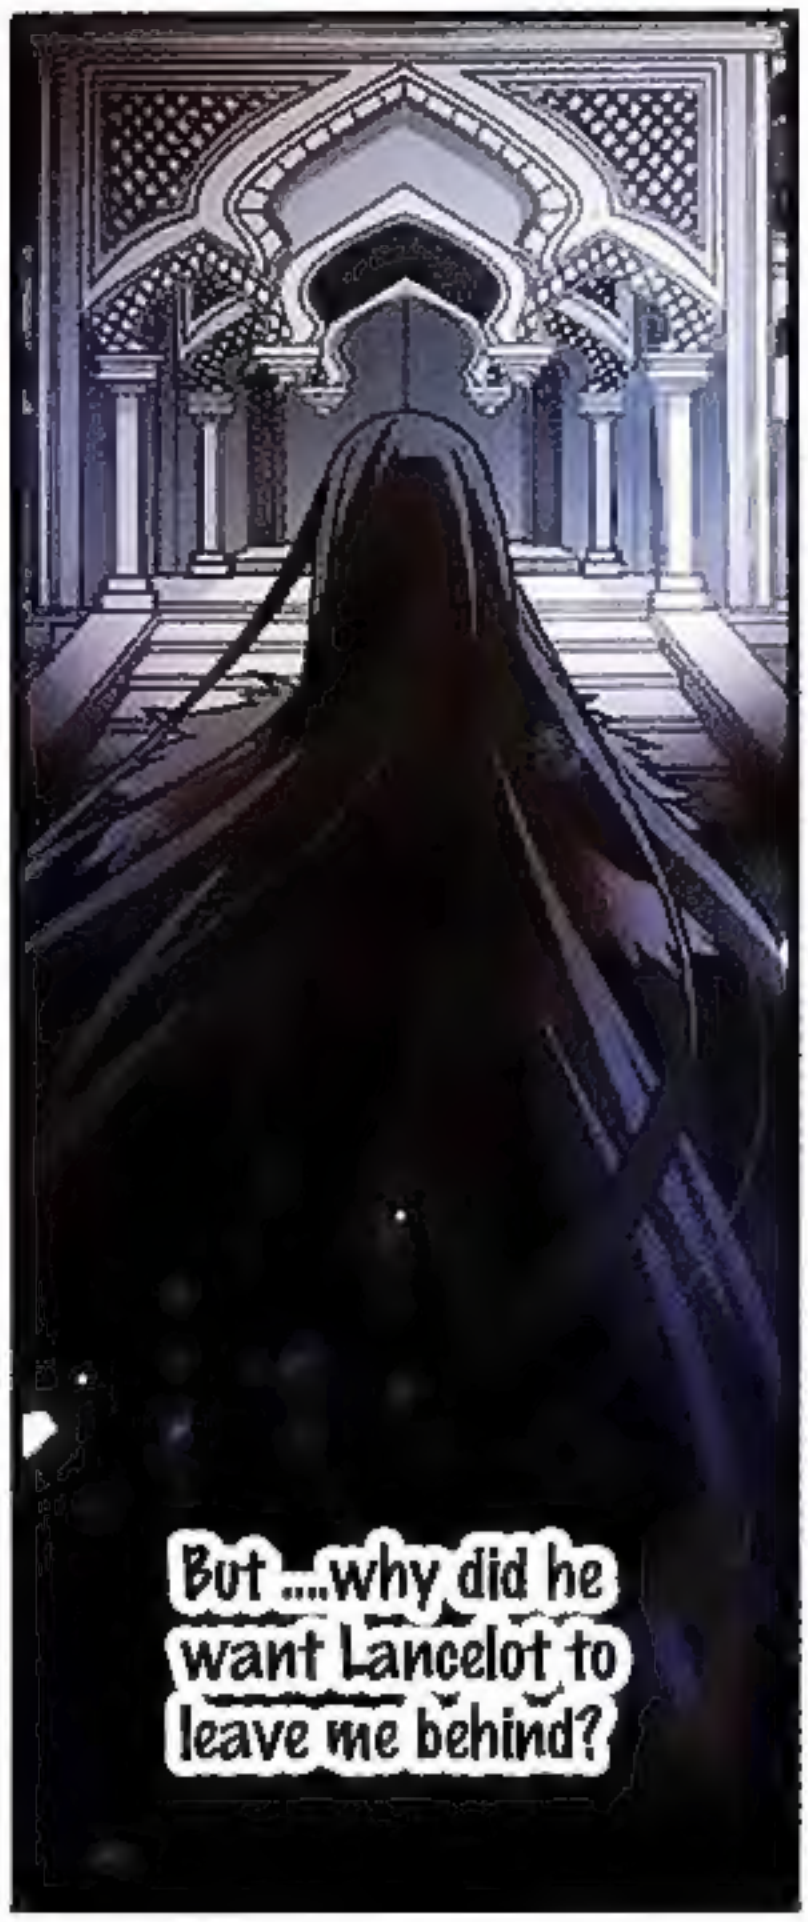
FOLLOWING YOU HERE REALLY GIVES ME AN IDEA WHERE THE SACRED SEED IS.

What?
He's searching for it?

WHY, WHY ARE YOU LOOKING FOR IT? PERHAPS YOU...

YOU DON'T NEED TO KNOW. ALL YOU NEED TO DO IS HELP ME TO FIND IT.

He was on the island to wait for me and Xiao Lan to come, then let us deal with Salian. When it's been gotten rid of, he was following me to the place of the sacred seed...
Everything 's gone well according to his plan...



But ....why did he want Lancelot to leave me behind?

Although there're many questions yet to be answered.... but I won't allow him to find the sacred seed first.

GO AFTER
I'm absolutely not going to let it happen!
